Sir,

I have the honour to state that on the eve of my handing over charge to my successor, Mr Y Ramaswami, the Engineer Officer gave me the enclosed representation and requested me to send it up to Government with my support He feels rather aggrieved that the reports I have sent about him have not been completely favourable I told him that he was expecting too much if he thought that I could take back my opinion At the same time, I assured him that I had said nothing derogatory about his intelligence, capacity and industry which I fully recognised I have referred to these qualities in the latest Confidential report sent to the Chief Engineer

2 Mr Ramaswami is drawing a pay of Rs 500/- (fixed) since the last two years Now that it has been decided to give him an extension for a year more, his request
